

Take the Challenge. Enjoy the Ride.

Brisbane Ride for Life

Hello!

We have a few avid cyclists in our office and so supporting the **Brisbane BMW Ride for Life Challenge** came as no surprise to our team.

The Brisbane BMW Ride for Life Challenge is a tour around an 80km route through Brisbane City and out to Cleveland. The event beneficiary is **Guide Dogs Queensland**. Guide Dogs Queensland help adults and children that have their lives turned upside down when they are diagnosed with permanent vision loss. Qualified dogs cost the organisation more than \$50,000 to produce and there are more than 38 Queenslanders on the waiting list.

As such, we are putting together a Corney & Lind Team for the Ride. If you would like to join our cycling team for the Brisbane BMW Ride for Life, please contact me on email and I'd be more than happy to tell you about the event.

Join us in getting behind this Brisbane event to support a worthy cause
