

There's no place like home

"Home: it feels good to leave, and it feels even better to come back."

Hello!

Natasha Duff has been with Corney & Lind for a number of years. A member of our Litigation (**Lit**) Team, many of you may recognise Natasha in handling dispute resolution, litigation, employment and compensation matters.

For a period of time, Natasha worked remotely while living overseas, serving our clients who were only able to access legal assistance after-hours and on a Saturday. Returning to Australia, our Lit Team have been grateful for the addition of her expertise, in person.

This week, Natasha was promoted to Senior Associate. We wish her all the best for this new chapter.
