

Expanding Knowledge

If you need wisdom, ask, and it will be given to you.

Hello!

[Kristel Winkler](#) and [Kathleen Watt](#) are cornerstones of our Commercial and Not-for-Profit (NFP) Team. Many of you have dealt with Kristel for NFP, commercial, property, elder law and trust matters. Kathleen regularly advises charities and is our *go-to* for wills and estates - from will making to estate litigation.

Taking time to '*turn aside*' from their usual routine, Kristel and Kathleen attended a *Manifest Presence* Conference in Auckland, New Zealand, which was themed around hearing God and speaking His word. The ladies shared a favourite insight:

"We must remain childlike, constantly in need of teaching from our Heavenly Father who holds all the solutions. As our Father is good, we can have absolute confidence in who He is – in us, for us, and for others. Past testimonies of His provision empower and sustain us to seek His provision for the future."

As lawyers, we value the testimonies of our clients and encourage them to share their [Just Redemptive Outcomes](#)[®]. Their stories (and our small part in them) are powerful to inspire hope in those who may be facing similar challenges. His answer is always greater than the problem.
