

## New leader Corney & Lind family law

Welcome Eustacia

Hello!

This month, we say welcome to Ms Eustacia Yates, Special Counsel, who joins our family law team as the new leader of the family law practice area in the firm.

Since graduating in 2002, Eustacia has worked in a number of private firms committed to serving family law clients well. Eustacia's mantra is to help clients retain control over their legal matters. Where appropriate, she will use alternative dispute resolution methods such as negotiation, mediation and settlement conferences to help her clients navigate an often difficult path in family law. Eustacia's experience has seen her work for law firms in Brisbane, Melbourne and Washington D.C. (USA). She also has a Graduate Diploma in Divinity and Theological Studies from Malyon College.
