What a finish to 2018!

Hello!

We had a full last quarter in 2018...but I don't think we would have done it any other way.

In balancing work and putting-into-practice our own value proposition of ***Just Redemptive Outcomes®***, our team took great pleasure in participating in two events that benefited causes beyond us.

The first was our *C&L Cycling Team* cycling 80km from Brisbane to the bay and back. The **Ride for Life Challenge** raised funds for **Guide Dogs Queensland**. Guide Dogs Queensland works to change the lives of over 1,500 Queenslanders and families every year through a range of tailored services and programs for adults and children that suffer permanent vision loss.

We had a great time in the cycle lead-up and affirming friends of the firm. Keep an eye out for our new C&L new cycling kits as our avid riders continue cycling around Brisbane. If you do see them on the road, please be sure to give them a thumbs up and wide travel space. A metre matters!

Our 2nd event was part of our staff Culture & Well-Being Connect program. Graciously hosted to pancakes and coffee by **Hillsong Citycare Brisbane** in their new customized trailer, our staff undertook a team building exercise in support of Angel Tree Appeal 2018.

The Angel Tree Appeal coordinated by **Prison Fellowship Australia** helps thousands of children in Australia open a present from their father, mother, or grandparent who are not present for Christmas, as they are serving time in prison. We are grateful to these two organisations for the work they do in our communities. We're looking forward to similar opportunities in 2019.

As this is our last newsletter for 2018, I'd like to take the opportunity to thank you for following our regular updates.

From the C&L Team, we wish you and your families a wonderful festive season as we take time to pause and remember God coming close to us in Jesus the Christ.
